Exam times and “uit naweke”

During the exam times and “uit naweke” the majority of learners will be accommodated first. The afternoon and sport bus times will be changed. The pupils from primary schools must adapt to these arrangements. There will be no sport bus during “uit naweke”. The bus schedule in the afternoon and sport only changes during the exams in June and November of each year.

Whole Route

When you receive an email or sms about one bus doing the whole route it implies that one bus will do the following stops: BP Kraaifontein, Total Brackenfell, Faimont Bus Stop (Durban Road), Virgin Active Bus Stop, Panorama Engen, HTS Bellville and 7/11 Brackenfell (***not the usual two route drop off points***). If you want to fetch your child earlier, arrange a different drop off point with them than usual.

Three trips per day

The contract with every parent (as decided by the Parent Committee) is to provide three trips per day – that is one in the morning to Paarl, one after school and a sport bus. (The afternoon times might change during Exam Times and Uitnaweke when the majority are accommodated first) No extra buses will be used during the exam or “uitnaweke”.

Sport bus

The Sport bus is from Monday till Thursday.

Buses

The contract with the parents (as decided by the Parent Committee) is to use semi luxury buses without air-conditioning or heaters.

Satellite tracking

All the buses are equipped with satellite tracking. Information about driving speed, departure and arrival times can be monitored.

Traffic

Due to heavy traffic to and from Paarl the travelling time may sometimes vary, especially on Fridays.

Discipline

Please read the Eljosa School Route Protocol. If a complaint is made about a child misbehaving the parent committee will handle the situation after investigation.

If a learner harms another learner Eljosa will not be held responsible.

Parent Committee

There are a committee for each route. If you have suggestions or enquiries contact the following members:
